County Begins Harvesting Of Approximately 1,500 Acres Of Tomatoes; Good Prices

Adams County swung from cherries to tomatoes this week, with the harvest of some 2,000 tons of cherries completed and with processing plants ready to open for the annual tomato crop.

The Burgoon and Yingling plant here began accepting tomatoes for the 1952 pack Thursday. Knouse Foods will begin receiving the vegetable Tuesday and C. H. Musselman Co. has announced it will begin to receive tomatoes Wednesday. The season will run until the first killing frost, usually in October.

J. I. Burgoon, of the local canning plant, said the quality of the tomato crop seems good, but the quantity will depend upon sufficient rain and other weather conditions.

Dodges Prediction

One expert in the tomato production of the county refused to make an estimate of the possible crop. "There are too many ifs, ands and buts this year," he said.

The C. H. Musselman Co., after receiving tomatoes Wednesday and Thursday from 7 a. m. to 10 p. m., next week will start receiving the vegetables daily Monday through Friday from 7 a. m. to 10 p. m., starting August 11.

In announcing opening prices of \$36 per ton for U. S. Grade No. 1, delivered at Biglerville and \$23 per ton for U. S. Grade No. 2, C. H. Musselman Company, president, John A. Hanser, added, "The fresh tomato market is very unsettled and we hope to see it stabilized in the very near future. These prices are subject to change."

The prices paid at Burgoon and Yingling will be the same as those offered by the C. H. Musselman Company.

The Knouse Foods plant normally announces its prices at the end of the receiving season. M. E. Knouse, president of the cooperative, said.

2,000 Ton Crop

While the number of tomatoes to be produced from the approximately 1,500 acres devoted to commercial production in the county is still a question for the future to answer, the cherry growers were able to report a harvest of about two-thirds of last year's production. That places the county's cherry harvest near the 2,000 ton mark. In 1948, the last year a full census of production was made, the crop was listed as slightly over 1,500 tons. Since then a number of trees have come into full production that were non-bearing at that time.

SNACKERS CLUB ENJOY PICNIC

A wiener and marshmallow roast was the highlight of the Barlow Snackers 4-H Club picnic held Wednesday at Caledonia Park. There were 16 club members and 10 guests present. Among those present were Mrs. John Schwartz, local leader, and Mrs. Charles Holoka, who provided transportation for the group.

Included in the day's program were swimming, games and softball. The picnic supper was served at 5 o'clock. During the afternoon, Rudy Libby, Littlestown, cut the bottom of her foot while wading in a stream. Club members present were: Nancy Bowers, Betty Dorr, Shirley Eggleston, Anna Ferrebee, Pauline Ferrebee, Ann Holoka, Sandra Holoka, Linda McClellan, Annabelle Moritz, Winnie Reard, Joan Reed, Peggy Reed, Sally Reed, Susan Reed, Mildred Treher and Audrey Yingling.

The guests included: Alice Bowers, Barbara Brown, Kathleen Brighton, Grace Horton, Patsy Keesling, Ruby Libby, Betty Maring, Jean Mumper, Mary Jane Schwartz and Nadine Schwartz.

Club To Visit Homes Of Members

The final meeting of the season was held by the Littlestown 4-H "Charm In The Home Club" recently at the home of Patsy Snyder, Littlestown R. 1, with President Nancy Slusser presiding.

Plans were outlined for a tour of the homes of all members to view the completed projects made by the members. The tour will be held August 22, starting at 9:30 o'clock in the morning and continuing on into the afternoon until all homes have been visited. A stop for lunch will be made at the home of Nancy Tristle. The tour will begin at the home of Irene Crouse, Gettysburg R. 1.

Miss Mary Jane Mickey, county home economics extension representative, met with the group to assist the members in completing their projects. Following the meeting, refreshments were served.

COUNTRY CLUB TO ENTERTAIN GIRL SCOUTS

Next Monday will be Girl Scout Day at the Gettysburg Country Club. All Girl Scouts and Brownies of the Gettysburg area, with their leaders, are invited to spend the day at the club.

The pool will be open from 10 a. m. to 6 p. m. for the Scouts and Brownies free, with the life guards, Jack Thrush and Nellie Larson, on duty. Dave Forney, chairman of the swimming committee of the country club, will be in charge of a pro- tests.

Free Wiener Roast

From 4 to 5 p. m. there will be a free wiener roast, in charge of the Boys and Girls Committee of the country club. Mrs. J. Albert Shulley, chairman of the committee, will be assisted by other members of the committee, Mrs. Frederick Tilbers, co-chairman; Mrs. Gordon J. Webster, Mrs. John Orndorff, John A. Codori and J. B. Collins.

The following Monday, August 11, will be Boy Scout Day at the club, when a similar program will be arranged for all Boy Scouts and Cubs of the Gettysburg area.

Driver Hurt When Big Vehicle Upsets

Mehrl D. Brown, 21, Fayetteville R. 1, will be charged with making an improper pass as a result of an accident at 6:50 Thursday morning on the Black Gap Road about two miles outside of Fayetteville.

Brown was travelling west and Walter Rosenberry, 28, Gettysburg, was driving a convertible in the same direction.

While Brown was passing the Rosenberry car, according to police, he swerved to the right causing a sideswipe. Damage to the Rosenberry car was placed at \$150 and to the Brown car, \$20.

July Was Warm But Mercury Scooted Much Higher During Same Month In Other Years

July, in case anyone needs to be reminded, was a relatively warm month.

The official records, kept at the Gettysburg Times weather station during the past month, show that the average mean temperature for the month was 77.42 degrees, or an average each day of 2.72 degrees more heat than normal. It was the warmest July since 1949, but not a record-breaker by any stretch of the statistics. In July 1949 the mean temperature was 78.4 about a full degree warmer per day than experienced during the past month.

Highest temperature recorded last month was 98 degrees, on July 23, but July 7, 1949, was able to record 99. And speaking of hot—back in 1941 the thermometer recorded 101 degrees on July 28. In 1936 it was 104 on July 10. In 1930 the mercury recorded 101 on July 19 and way back in 1926 all records were broken with a 105 on July 21.

Heavy rains on the 8th, 9th and 17th of July plus smaller showers on five other days gave the area a total of 6.31 inches of rain during July, but again the amount, while well above the normal, came

Col. Schantz Gets New Assignment

Col. Bradford T. Schantz, assistant commandant of The Adjutant General's School, Ft. Benjamin Harrison, Md., has been assigned to the Far East Command as a corps adjutant general.

The son of Mrs. Lottie M. Schantz, 110 Baltimore St., Colonel Schantz has been responsible for resident training in seven academic departments of The Adjutant General's School since 1950.

Colonel Schantz was called to active duty in 1940 as an infantry officer and transferred to The Adjutant General's Corps in 1941. He served in the European Theater of Operations from 1942 until 1945. In 1946 he returned to Colgate University as a professor in American literature. Colonel Schantz returned to active duty upon his integration into the regular army in 1947.

FACTORY WAGES UP MORE THAN MILLION IN '51

Wages and salaries paid to employees of 111 industrial plants in Adams County increased from \$12,518,300 in 1950 to \$13,776,700 in 1951, despite a decline in the total number of wage and salary employees from 7,393 to 7,085, according to the Bureau of Statistics of the State Department of Internal Affairs. The drop occurred among the wage earners, with the number declining from 6,860 in 1950 to 6,531 in 1951.

Women in the wage group earned \$3,818,800 in 1950 and received \$4,075,900 in 1951, and men in this group earned similarly increased wages, \$7,231,100 last year compared with \$6,593,600 in 1950. There were 3,205 men and 3,326 women working in the wage group in factories in Adams County last year.

Employed 174 Minors

Factories also employed 174 minors under 18, of which 87 were boys and 87 girls, and paid the boys \$89,900 and the girls \$66,000.

Five hundred and fifty-four employees are listed in the salaried service in 1951, compared with 533 in 1950, 373 of them men and 181 women. The men were paid \$2,071,700 and the women \$398,000, a total of \$2,469,700.

One hundred and eleven industries reported to the bureau last year, compared with 100 the year before. They represented 54 kinds of industry, 39 operated by individuals, 23 by partnerships and 49 by corporations.

Value Increased

William S. Livingood Jr., secretary of the Department of Internal Affairs, said the value of the products of industry in Adams County increased by approximately 15 per cent from 1950 to 1951. The value of the products was \$46,299,300 in 1950 and \$53,501,400 in 1951.

The bureau summarized its report for 1951 as follows: total salaried and wage employees, 7,085; total wages and salaries, \$13,776,700; primary horsepower, 24,452; number of electric motors, 5,043; horsepower of motors, 21,013; capital invested, \$13,872,300; value of products, \$53,501,400; value added by manufacture, \$24,021,700.

STRICKEN ON TOUR

John Junk, Gettysburg R. 2, who had been touring the country with his wife and son, has suffered a stroke and is unable to be moved at present. He was in Pepperwood, Calif., when the illness occurred, 600 miles from the end of his tour. He was also accompanied by his sister, Laura, and brother, Leslie, of Honey Grove, Pa.

Five Generations

Five generations were represented at a recent gathering of the Roth family at 304 W. Middle St., the home of Mr. and Mrs. Norman Singly, standing in the rear, left to right are: Jack Roth, McKnightstown, and his father, Clyde C. Roth, Harrisburg; in the front row, seated, left to right are: Mrs. Glenn C. Roth, Gettysburg R. 5; Mrs. William A. "Maggie" Allison, 84, of 104 W. Middle St., holding her great-grandson, Jeffery Roth, year old son of Jack Roth, Mrs. Singly, at whose home the picture was taken, is a daughter of Mrs. Allison.

FINAL APPLE SPRAY LETTER IS SENT OUT

A sixth cover spray for apples, the last for the season, was recommended today by County Agent M. T. Hartman in a letter sent to the county's fruit growers.

Second generation codling moth worms are entering fruit, Hartman reported in connection with the issuance of the spray letter. Red banded leaf roller larvae are present in some orchards. European red mites and spotted mites are to be found in most of the county's orchards. The sixth cover spray, Hartman said, is "very important in controlling these pests."

More scab can be found in county orchards than has been present for many years, the county agent added, stating that the sixth cover spray will help prevent further fruit infection and storage of scab and will also help combat bitter rot and sooty fungus which are threats at the present time to the county's fruit orchards.

Suggest Two Formulas

Two formulas are suggested in the spray letter. The first calls for use, in dilute sprays, of one pound of 40 per cent wettable powder DDT, one pound of 50 per cent wettable powder TDE (Rothane) and 1½ pounds of 15 per cent wettable powder Aramite. The other formula calls for using one pound of EPN 300 instead of the other three materials.

With either spray growers should use one of two fungicides, Hartman said. Either one of two pounds of Ferbam or one pound of copper sulphate and three pounds of fresh spray lime. The Bordeaux (lime and copper) should not be used on copper sensitive varieties, Hartman warned. For concentrate sprays all materials should be tripled.

The spray will be the last of the season for the county's apple trees. Hartman warned that the spray should not be applied to any early varieties that will be harvested within three weeks.

Churches Observe Vacation Schedule

The five churches of the East Berlin Reformed church will observe the following schedule during the vacation of the pastor, the Rev. Alton M. Leister, August 9 to 23:

There will be no church services at Zwingle, East Berlin; St. John's, New Chester, and St. Paul's, Red Run, on Sunday, August 10, and no services at Emmanuel, Hampton, and Mt. Olivet, near Bermudian, August 17.

The schedule of church school sessions on the respective vacation Sundays is as follows: St. John's Church, no church school; St. Paul's Church, church school at 9 a. m. instead of 10 a. m.; Zwingle Church, church school at regular hour, 10 a. m.; Mt. Olivet Church, church school at 11 a. m., to be conducted at Willow Mills Park in connection with the annual church school outing on August 17.

Will Break Ground For Church School

Ground will be broken Sunday morning at the 11 o'clock church service for the new Christian Education building of the Mt. Zion Lutheran Church, Goodyear.

The building, 30 by 50 feet, will be two stories, of brick construction, and will adjoin the present church building.

The first floor will have a large assembly room, with stage and kitchen and the second floor will provide space for four Sunday School classrooms and two rest rooms.

Old Torpedo Sinks Dredger

BOULOGNE SUR MER, France (AP)—A French dredger scraping the harbor bottom today brought up a World War II torpedo which went off and sank the craft. Eleven seamen were dead or missing and six others injured.

The Pas de Calais II—one of France's largest dredgers—was pulling up debris from the harbor floor when it raised the missile. As the crew tried to tow the torpedo ashore for dismantling, it went off, sending the 1,289-ton craft to the bottom. Three bodies have been recovered and eight other men are still missing. Six men were taken to the hospital.

Yanks Take Old Baldy In 8-Hour Fight

SEOUL, Korea (AP)—The U. S. Fifth Air Force said United Nations pilots shot down three Communist jets and damaged two over North Korea today as clearing weather brought renewed intensity to the war.

The U. S. Eighth Army said bayonet-wielding Allied Infantrymen recaptured the crest of Old Baldy hill in a bloody eight-hour fight on the Western Front.

The Russian-made MIG-15 jets were shot down in the first jet battle since July 23. Planes from a flight of 32 U. S. Sabre jets battled elements of more than 60 MIGs for more than 10 minutes near the Korea-Manchuria border. Allied losses, if any, were not reported.

In Tokyo, Gen. O. P. Weyland, commanding general of the U. S. Far East Air Forces, announced the addition of about 75 sleek F84 Thunderjet fighter-bombers to U. N. air strength for action over Korea.

Reds Lose 32 Plans

A monthly Air Force summary reported that the Communists lost 32 planes in July, the United Nations, 19.

Supported by fighter bombers and artillery fire, Allied doughboys stormed Old Baldy from two sides Thursday night. By dawn Friday, they had forced an estimated 200 Chinese Reds down its mud-caked slopes and immediately began digging in.

The surprise Allied pincer movement on Old Baldy came just 10 days after a Chinese battalion seized the barren crest. It followed the Thursday visit to the sector by Gen. James Van Fleet, U. S. Eighth Army commander.

Associated Press Correspondent Milo Farnet reported from the front that Allied fighter bombers swooped in on Chinese positions all morning. A frontline officer said Chinese sniper and mortar fire hampered evacuation of Allied dead and wounded.

To preserve the element of surprise, Allied big guns held their fire until the foot soldiers began clawing their way up the slippery slopes from two directions.

One unit waded through waist-deep water in a swollen stream on its advance.

MARRIAGE LICENSE

A marriage license was issued at the court house today to John Edward Hamilton, Hagerstown, son of Mr. and Mrs. George E. Hamilton, Leonardtown, Md., and Anna Theresa Topper, daughter of Mr. and Mrs. R. C. Topper, New Oxford R. 2.

Churches To Hold Picnics, Meetings

St. John's Church School, New Chester, will hold its annual outing Sunday at the South Mountain Fairgrounds. Church school will be held there at 11 a. m.

The Mite Society of St. John's will meet Monday at 8 p. m. at the parish hall and will hold its annual picnic Thursday. The Mite Society of Zwingle Church will meet Tuesday evening at the church at 7:30 p. m.

The Ladies Aid Society of Emmanuel Church, Hampton, will be at the church Thursday at 8 p. m. The Willing Workers class of St. John's Church, New Chester, will meet Friday evening in the parish hall at 8 p. m.

TWO COUNTIANS ARE DIRECTORS IN APPLE INST.

M. E. Knouse, Arendtsville, president of Knouse Foods Cooperative, and E. J. Yoder, Biglerville, of the C. H. Musselman Co., were elected vice presidents of the Processed Apple Institute, Inc., at its annual meeting held in the Hotel Biltmore, New York City.

B. L. Turner, vice president of the Comstock Canning Co., was named president, succeeding H. E. Meinhold, president of Duffy-Mott Company. J. Pinckney Arthur of the Shenandoah Valley Apple Cider and Vinegar Corporation, was named secretary and L. W. Brown, of National Fruit Products, was elected treasurer.

The membership adopted a resolution approving the first year's campaign of the Institute to promote sales and use of apples and voted to continue the program again this year.

Retiring President Meinhold told the group: "In the past year we have absorbed a large carry-over pack of apple products, plus the current year's pack. We are now ready to go into the new year with a minimum inventory and a maximum opportunity for increased sales."

Four new members have joined the group since it was established last July. It was reported, and in addition five associate members have joined since that classification of memberships has been adopted. Among the concerns most active in the formation of the Institute last year were C. H. Musselman Co., and Knouse Foods.

Birth Announcements

Mr. and Mrs. William F. Anderson, Miami, Fla., announce the birth of a six-pound son at St. Francis Hospital, Miami Beach, on Tuesday. Mrs. Anderson is a daughter of Mr. and Mrs. Russell M. Spangler, Gettysburg R. 4. The baby is the Andersons' second child. They have another son, Walter Bruce.

Mr. and Mrs. Charles Arigo, 12 Second Ave., McSherrystown, announced the birth of a daughter Thursday at the Hanover Hospital.

Mr. and Mrs. Clarence Cluck, 140 Steinwehr Ave., announce the birth of a daughter at the Warner Hospital this morning.

Sleeping Sentry Gets New Trial

WASHINGTON (AP)—A new court martial has been ordered for a 20-year-old soldier who was convicted of sleeping on sentry duty at the Korean front lines.

The court of Military Appeals—the highest tribunal of the armed services—ruled yesterday that a technical error constituted a "substantial prejudice" to the case involving Pfc. Warren G. McConnell, of Alloway, N. J.

This error, the court said, was that the law officer at the original court martial in Korea conferred with the military court while neither McConnell nor his attorney was in the room.

McConnell was sentenced to 10 years at hard labor, dishonorable discharge and forfeiture of pay and allowances.

Winning Prizes Is Getting To Be Habit With Firemen; Summer Winnings Are \$795

The Gettysburg Fire Department-Blue and Gray Band's winnings in firemen's parades this summer totalled \$795, following a first-place triumph at Thurmont, Thursday night.

The fire company was awarded the \$75 prize for the best appearing firemen's marching unit, with band, and with the most men in line.

The fire company made what was probably its best appearance of the summer at Thurmont. In addition to its banner, the Blue and Gray band with majorette and the fire company color guard, "Abraham Lincoln," portrayed by Clyde Bidle, Gettysburg R. 5, and Edwin and David Cole, dressed respectively in Union and Confederate uniforms, headed the Gettysburg unit. The boys are sons of Mr. and Mrs. Richard Cole, Stevens St.

William E. Knox Is Elected Rec Board President; Three Decline Office; G. L. Bream Resigns; Brown Will Retire

Borough Council, which appoints five of the nine members of the Board of Directors of the Gettysburg Recreation Association, will have two vacancies to fill in September.

At a meeting of the board Thursday night in the law offices of Swope, Brown and Swope, which saw the election of William E. (Johnny) Knox as president to succeed Atty. Richard A. Brown, Glenn L. Bream, a member of the board for nearly 14 years, tendered his resignation, effective at the close of the meeting.

Mr. Brown, whose term as a director will expire in September, announced that he will not accept reappointment to the board.

Thanks Directors

In his resignation Mr. Bream, whose term would not expire until 1954, said:

"I'm resigning as a director of the Gettysburg Recreation Association as of the end of this meeting. After serving continuously for almost 14 years, I think it is time for someone else to help out."

"I want to thank all of the board for their very fine work, especially during the past five years. Mr. Brown, as president for these five years, deserves special mention for his untiring efforts."

The resignation was accepted with regret. Several members of the board praised Mr. Bream's work in recreation activities. He was given a vote of thanks by the board.

Knox, re-elected a member of the board of directors a week ago, was named president by unanimous vote after three other board members, Mr. Brown, Mr. Bream and Daniel J. Wolff, had been nominated and declined. The election took place before Mr. Brown submitted his resignation.

Three Refuse Office

Mr. Brown was nominated for reelection as president by Donald W. McSherry. After he had declined the nomination, Mr. McSherry nominated Mr. Bream. He declined and Mr. Knox nominated Mr. Wolff, who also declined.

Mr. Knox was nominated by Mr. McSherry, and the nomination was seconded by Michael Tate.

Mrs. Sydney J. Poppay was nominated and elected vice president; Mahlon P. Hartzell was re-named secretary, and George D. March was re-elected treasurer.

Mr. Brown, who said he was carrying out a promise made at the annual meeting of the Recreation Association, recommended that an investigation be made of the feasibility of constructing a swimming pool, and the secretary, Mr. Hartzell, was directed to request plans from the state. Directors Wolff and McSherry were appointed on a swimming pool committee.

May Cost \$7,500

"I think it would make a splendid project, and I recommend it," Mr. Brown said. "I think we could do it for \$7,500 or less."

Rogers Herr, playground director, reported expenditures up to July 23 of \$2,362.43, and said playground attendance was 2,924. "The High St. playground program is not going over at all well," he reported. He attributed lack of interest to two things, the hot weather and the gravel in the High St. schoolyard.

"Midnet baseball is going to be the big thing," Mr. Herr reported. "Glenn L. Bream has purchased 15 uniforms and this team is going to York to play in a tournament August 8, 9 and 10."

On motion of Director Knox, the board voted to advance \$75 to Mr. Herr for expenses of the trip. York will provide lodging if the team remains overnight, he said.

Resume Dances

Mr. Herr also reported that a dance will be held at the high school August 6. The orchestra will donate its services, he said. Renewed interest in regular dances at the high school starting this fall was predicted. Special events are being held weekly at the Recreation Park, Mr. Herr reported.

Directors present at the meeting were: Mr. Brown, Mr. Tate, Mr. Bream, Adam Myers, Mr. McSherry, Mr. Knox and Mr. Wolff. Mr. March and Mrs. Poppay were absent.

Man Is Stricken Working At Manor

C. Lehman Wenger, 55, of 426 N. Franklin St., Chambersburg, an electrician, died suddenly Thursday afternoon from coronary occlusion when he became ill while installing two ceiling lights on the dining porch of Caledonia Manor.

Wenger became ill while working and retired to his car. Charles Shaffner, manager of the Manor, had decided to take Wenger to his home but the workman died before the trip was started. A physician from Philadelphia, who was traveling through and had stopped at the Manor, was with Wenger when he died.

Wenger is survived by his widow; one daughter; five brothers and two sisters, all of Franklin County.

Funeral services Sunday at 2:30 p. m. at the Sellers Funeral Home, Chambersburg, with interment in the Mennonite Cemetery, Chambersburg.

PRICE OF MILK IS INCREASED PENNY A QUART

HARRISBURG (AP)—The retail price of milk is up a penny a quart today in all areas of the state except Philadelphia and Erie.

Minimum price increased ordered by the State Milk Control Commission for producers as well as consumers went into effect in 10 of the state's 13 milk marketing districts.

In addition to the retail boost the order gives dairy farmers 40 cents more a hundredweight (46½ quarts) in most cases.

Meanwhile, the new retail price tag was frozen as the ceiling figure for 35 eastern Pennsylvania counties comprising eight of the milk marketing areas.

The Philadelphia district Office of Price Stabilization set the maximum yesterday. The State Milk Commission fixes merely minimum prices.

The new prices:

Pittsburgh—Retail, home delivered, from 23 cents to 24 cents a quart; cash and carry from 22 to 23; producers from \$6.05 to \$6.30 a hundredweight.

Altoona-Johnstown—Retail 22 to 23; producers \$5.92 to \$6.20.

Schuylkill (Zone 1)—Retail 23½ to 24½; producers \$5.75 to \$6.15.

(Zone 2)—Retail 23½ to 24½; producers \$5.80 to \$6.20.

Scranton (Zone 1)—Retail 23 to 24; producers \$5.65 to \$6.05.

(Zone 2)—Retail 22 to 23; producers \$5.60 to \$6.00.

York—Retail 22 to 23; producers \$5.70 to \$6.10.

Harrisburg (Zone 1)—Retail 22 to 23; producers \$5.70 to \$6.10.

(Zone 2)—Retail 21½ to 22½; producers \$5.50 to \$5.90.

Lancaster—Retail 22 to 23; producers \$5.70 to \$6.10.

Williamsport-Sayre-Athens—Retail 22 to 23; producers \$5.65 to \$6.05.

Lehigh—Retail 22 to 23; producers \$5.70 to \$6.10.

Reading—Retail 22½ to 23½; producers \$5.80 to \$6.20.

The higher prices are necessary because of higher costs, the commission said. Commission statistics placed the cost of producing and delivering a quart of milk in Pennsylvania 5 to 8 per cent above a year ago.

There was no Aug. 1 change in Philadelphia and suburban Philadelphia because prices went up there a month ago. In Erie prices remained unchanged because an industry-labor contract will not run out until fall.

The OPS maximum price order applied to the Schuylkill, Scranton, Wilkes-Barre, Lehigh, Harrisburg, York, Williamsport-Sayre-Athens, Lancaster and Reading areas.

FIVE KILLED IN HEAD-ON CRASH

BETHLEHEM, Pa. (AP)—Five persons—three women and two men—were killed today when their automobile crashed head-on into a loaded tractor trailer on the Easton-Bath highway, two miles south of nearby Newburg.

Police identified four of the victims, all passengers in the automobile, as John Cloutier, 36, the driver, Arverne, N. Y.; Stephen Mayer, 22, Newark, N. J.; his wife, Gertrude, and his sister, Miss Verna Mayernick, Wilburton, Pa. (Columbia County). The third woman, believed to be the wife of the driver, was not immediately identified.

Police said the Cloutier car, en route to Wilburton, sidswiped the first of a string of coal trucks and then crashed head-on into the second truck in the line. The sedan was ripped apart and hurled into a corn field some 100 yards from the road.

The driver of the second truck, Curtis Gerhard, 42, Lehigh, Pa., emerged from the crash uninjured.

Bankers Take Parts In FFA Film Here

Three local bankers turned actors Thursday afternoon for the Future Farmers of America motion picture being made in the county.

The First National Bank of Gettysburg was turned into a movie studio after the bank closed its doors at the regular 3 o'clock closing time Thursday.

Scenes were then taken, after lighting and other equipment had been installed, of Mike Wertz, Biglerville R. D. who is portraying the FFA student in the picture, borrowing money from the bank. Bank President Edmund W. Thomas, Vice President Ed. Deardorff and Mrs. Helen Corbett appeared as the bankers in the scene.

Sixteen Licenses Issued In July

Only 16 marriage licenses were issued by the Adams County Clerk of Courts in July according to the records at the office. Thirty-seven were granted in June.

So far this year 127 permits to wed have been issued, compared to 178 for the same seven months last year. Last year 23 licenses were granted in July.

RUSSELL, LONG PLEDGE HELP; BYRD ON FENCE

By The Associated Press

Sen. Harry F. Byrd of Virginia sat on the fence today as two of his Southern colleagues pledged support to the Democratic Party ticket of Gov. Adlai Stevenson and Sen. John J. Sparkman.

Sen. Russell B. Long of Louisiana told a reporter in Washington: "I like that ticket and I'm going to be for it." But he said Gen. Dwight D. Eisenhower, the Republican candidate for President, stands a very good chance in several Southern States. He did not name the states.

Sen. A. Willis Robertson of Virginia came out with a statement that he will "vote the straight Democratic ticket next November."

Byrd To Wait

But Byrd, the leader of the dominant Virginia Democratic organization, said crisply: "I will not at this time make a statement with respect to either presidential candidate. In the weeks ahead we may expect clarification of the views of both candidates on the many governmental issues which neither has yet discussed."

Another development in Virginia saw Morrell Clarke, a lifelong Democrat, resign as chairman of the Halifax County Democratic Committee and endorse Eisenhower. He said Stevenson has "embraced Trumanism to the extent that I can't support him."

Sen. Richard M. Nixon, the GOP vice presidential candidate, hit the same chord in a speech at the Ohio Republican convention in Columbus, O., last night.

He said Stevenson and Sparkman would continue President Truman's policies if elected. He attacked Stevenson as the "captive candidate" of Truman, Jacob Kroll (CIO Political Action Committee head), Jacob Arvey (Illinois Democratic national committee) and big city bosses.

Will End Corruption

Nixon pictured Eisenhower as a "down-to-earth, honest-to-goodness American" who will clean up corruption, clean out Communists and lead America to a prosperity built on peace rather than war.

Nixon left Ohio immediately after his speech to attend a series of high-level strategy conferences beginning today at the Eisenhower headquarters in Denver.

Paul G. Hoffman, one of the Eisenhower leaders, told a news conference in Denver that the general must and can get strong support from independent voters and disgruntled Democrats to win in November. He said Eisenhower's hopes of cutting federal spending by 40 billion dollars a year can be achieved when peace is restored.

The leaders of a self-styled Amateur Citizens Committee for Eisenhower offered a plan to rally 10 million more voters to the Republican cause. Walter Williams of Seattle and Mrs. Oswald B. Lord of New York, co-chairmen of the citizens group, sought independent status for the committee in its task. Whether that might offend the established Republican organizations will be considered in the week-end huddles.

Sees Senator Kerr

In Springfield, Ill., Gov. Stevenson had a long conference yesterday and last night with Wilson Wyatt of Louisville, Ky., former Federal Housing expediter. Stevenson's aides were silent on speculation that Wyatt, a long-time friend of Stevenson, might be under consideration to replace Frank McKinney as Democratic National Committee chairman.

The Democratic presidential nominee took time out to see Sen. Robert S. Kerr of Oklahoma, who had sought the nomination for himself.

Kerr told newsmen they discussed the agriculture plank in the Democratic platform, about which Kerr expects to do "a whale of a lot of talking" during the campaign.

Kerr had this to say about Eisenhower: "I don't know how the Republicans could have gotten a nicer fellow and one less likely to be President."

Vacationing in Beverly Hills, Calif., Chicago Democratic Leader Jacob Arvey predicted Stevenson will carry New York and the four Southern States lost by President Truman four years ago and win by a bigger margin than Truman did in 1948.

Arvey said Eisenhower is a glamorous figure and a fine man who "does not possess the governmental administrative ability of Stevenson or as thorough knowledge of domestic problems."

Arvey said he does not want to head the Democratic National Committee and would not accept a Cabinet post.

TWO YANKS IN OLYMPIC BOUTS

HELSINKI (AP)—The United States sent two boxers—Nate Brooks and Charlie Adkins—into the finals of the Olympic tournament today and the Olympic boxing jury sent one of its officials to the sideline because of his inefficient handling of the bouts.

J. Neuding of Poland, who refereed both bouts in which Americans figured on the afternoon semifinal card, was fired at the end of the program for "incompetence and poor judgment" according to Jim Lee of Cleveland, a member of the jury.

Brooks, a Cleveland flyweight, outpointed Willie Towell of South Africa. Adkins, a San Jose, Calif., State College student from Gary, Ind., defeated Bruno Vislitta of Italy, in the light welterweight class.

Referee Neuding warned both Adkins and Vislitta frequently. Nearly every bout the stocky Pole handled was marred by frequent warnings to the boxers and sometimes he interrupted fights as many as ten or twelve times.

This afternoon's results left the American five-man delegation as the largest in the tournament. Two of Russia's six boxers lost and only one advanced.

Light welterweight Viktor Medvedev received a default and will fight Adkins in the final.

Brooks' opponent will be Edgar Basel of Germany.

A trio of curvaceous California girls and an 18-year-old Hawaiian miss played leading roles in today's games.

Pottstown Girls Softball Titlists Rank With Best

One of the outstanding girls' amateur softball teams in the country, the Pottstown Cardinals, will be among the teams who will participate here August 8, 9 and 10 when the annual Class A Girls' Tournament of the Pennsylvania Amateur Softball Association will be held on the Recreation park field.

The Cardinals won the state championship a year ago and went on to cop the Eastern regional title. However, they were defeated when playing for the world's title at Detroit, Michigan.

Harold Markel, Williamsport, state commissioner, revealed today there may be more than ten teams participating in the tournament here. He told a Times reporter that brackets and contestants would be drawn over the week end and will be announced early next week.

Will Open Tourney
The Cardinals, as defending champions, will play the first game here next Friday evening meeting the host team. It is possible the first game that evening will be at 6 o'clock with two additional games that evening.

Markel announced that two other teams certain to play here are the Newberry Sluggers and Elizabeth-town Girls.

Indications point to big attendances at the three-day tournament, the advance sale of \$1 tickets, good for all three games, reported as going well. The \$1 ticket sales will be withdrawn on August 8 and thereafter single day admissions will be 50c.

Interstate

By The Associated Press
Gerry Jacobs homered with two mates aboard in the fifth inning to give third place York a 3-2 triumph over league-leading Hagerstown in the opener of a twin bill in the Interstate League last night.

The Braves pulled the nightcap out of the fire when Ted Laguna blasted one over the left field fence with two men on board in the ninth inning to win 4-2.

Albert Israel, the league's leading batter, homered for eighth place Harrisburg in the fifth inning of the Senators' opener with seventh place Sunbury and accounted for the payoff run in a 4-3 win.

Sunbury on the basis of Herman West's three-hitter took the second game by a sturdy 7-0 margin.

In the other league game the Salisbury Reds moved to within a half game of fifth place Wilmington by a 2-1 win over the Blue Rocks.

Allentown at Lancaster was rained out.

Eastern League

By The Associated Press
Pitcher Tom Casagrande of the Schenectady Blue Jays shut out the Senators at Albany last night, 1-0, to lead the Jays into second place in the Eastern League. The loss cut Albany's first-place edge to two games.

The Reading Indians dropped in to the third slot on a loss to the hustling Elmira Pioneers, 9-2, at Reading.

At Williamsport, the last-place Tigers snapped an eight-game losing streak by setting down the Scranton Miners, 8-6.

Hugh Radcliffe, up from the Class B Big State League, cut off the Hartford Chiefs with five hits as the Binghamton Triplets beat their visitors, 3-1.

BOBBY SHANTZ WINS HIS 19TH; A'S TAKE PAIR

By JACK HAND
Associated Press Sports Writer
Little Bobby Shantz, leading candidate for the American League's most valuable player award, looks like baseball's "Man of the Year."

With a dazzling 19-3 record, the little lefty is a sure thing to become the majors' first 20-game winner in '52. Barring a slump he should become the first to win 25 for the Philadelphia A's since Lefty Grove in 1932.

Shantz' 19th was a four-hitter against Detroit, 2-1, in the first game of a doubleheader. He struck out seven and walked only two in outpitching young Billy Hoelt. The A's also took the second game, 3-2, with three in the ninth off Virgil Trucks. Homers by Trucks and Walt Dropo provided the only Tiger runs off winner Alex Kellner.

The twin Philadelphia wins helped tighten the American race a bit. Even the fifth-place A's, eight games back, remain in the race.

Raschi In Form
Vic Raschi, regaining his old place as New York Yankee ace, won his 10th straight and 12th of the season by a 6-2 score over Chicago to keep the Yanks three games ahead of the Indians.

Cleveland staged a six-run rally in the eighth to make it two out of three over Boston, 8-2. Joe Tip-ton's tie-breaking homer off Maurice McDermott started the spurt that also included a two-run triple by Larry Doby and a double by Al Rosen. Bob Lemon earned his 12th victory with a seven-hitter, including a two-run homer by Del Wilber, his first of the year.

Dodgers Beat Pirates
Washington remained 5½ games back of the Yanks by scoring five in the first inning before anybody was out to rip St. Louis, 10-5. Sandy Consuegra, relieving Randy Gumpert in the fourth, won his fifth in a row.

Brooklyn widened its National League lead to six games over New York by knocking off Pittsburgh in two games, 7-6 in 11 innings and 4-1. A walk by reliever Paul LaPalme with the bases loaded gave the Dodgers the first game. Rookie Joe Landrum, just advanced from the Fort Worth farm where he won 15, copped his first big league start in the second game with an eight-hitter.

Giants Lose To Cubs
Chicago went wild to score nine in the seventh and trim the Giants 11-8. Despite an 11-1 lead, the Cubs had to battle to stave off a late Giant rally. Three in the seventh and four in the eighth on Jim Rhodes' grand slam homer made it close.

The St. Louis Cards ripped into Vern Eckford for six in the fifth inning to thump the Boston Braves 8-3. Billy Johnson had two singles in the big inning when 10 batters went to the plate.

The Phillies, also red hot, and Cincinnati were idle.

TWO CIRCUITS CLOSE REGULAR CARDS SUNDAY

Final regularly scheduled games are listed for two county league teams on Sunday.

The South Penn Baseball League has the following games carded: Barlow at Bonneauville, Greentown at Brunsdown, Hanover at Granite, and Bendersville at Hunterstown.

Chester Shriver, league secretary, has sent out cards urging all teams to make up postponed games immediately in order that the top four teams in the final standing may open their Shaughnessy playoffs on August 10. There are five postponements to be made up.

The Penn-Maryland circuit also has its final regular season games listed for Sunday. They are: Harney at Emmitsburg, Fairfield at Taneytown, Wakefield at Middleburg, and Sabillasville at New Windsor. There are also a number of games remaining due to postponements. No announcement has been made as to playoff plans.

Games listed on Sunday for the Pen-Mar League include Emmitsburg at Cashtown, Union Bridge at Fairfield, Littlestown at New Oxford, and Thurmont at Westminster. That league ends its regular season September 1.

Two games are scheduled for the Mason-Dixon Junior League Saturday, Gettysburg at Brunsdown, and New Oxford at the Hanover Legion. The Hanover Kiwanis and Littlestown will play at Littlestown Monday evening.

Idaville's Streak Halted By Masland

The six-game winning streak of Idaville in the Cumberland County Baseball League was snapped Thursday evening when Masland scored a 6-0 decision at Carlisle.

Score by innings:
r. h. e.
Idaville 000000—0 3 0
Masland 010410x—6 5 2

The Lentz Legion was eliminated from title playoffs of the Softball League when it dropped a 10-9 decision to the Glenn L. Bream Garage in the opening game Thursday evening.

The Legionnaires spotted the Garageman an 8-2 lead in the first two frames and then fought back to tie the score at 9-9 in the final inning with three runs on singles by Hensley and Crist, an infield error, a fly to left field and single by DeSimone. The Garagemen talked in the winning run in the last of the seventh via successive singles by Roland Hankey, Glenn Hankey and George Fair, and a squeeze bunt by "Abe" Hankey. McKenrick homered for the Legion in the fifth.

In the nightcap the league-leading Moose were forced to go an extra frame before defeating Swope's Atlantic 11-9. A double by Kennell and single by Hess broke the 9-9 deadlock. Bud Knox hit a two-run homer for the Moose in the fifth.

Jack Codori, first baseman for Swope's, set a new league record for putouts at first base with 15.

THREE YANKEE GIRLS CAPTURE OLYMPIC PRIZES

HELSINKI (AP)—A trio of curvaceous California girls and an 18-year-old Hawaiian miss played the leading roles in the Olympic games today.

Mrs. Patricia McCormick of Long Beach, Calif., winner of the springboard diving title two days ago; Paula Jean Myers, a 17-year-old from Covina, Calif., and Mrs. Juno Stover Irwin of Los Angeles, placed 1-2-3 after four qualifying dives in the women's platform diving competition.

Evelyn Kawamoto of Honolulu won her semi-final heat in the women's 400 meter freestyle swim to lead two of the three Americans into the finals.

Except for these two women's events, things were rather quiet as the Olympic stage was set for tomorrow's big windup program. And, for once, there weren't any broken records.

Florida Girl Qualifies
Miss Kawamoto, who broke the Olympic women's 400 meter swim record in her trial heat yesterday, took the semi-final in the ordinary time of 5:21.3, beating Hungary's Eva Novak. Valeria Gyenge of Hungary took the other semi-final in 5:16.9.

Carolyn Green of Fort Lauderdale, Fla., placed second behind Miss Gyenge in 5:18.3 to qualify for the final. The eight fastest times qualified. Dellana Meulen-kamp of Mill Valley, Calif., who was made a U. S. citizen by a special act of Congress just in time to compete in the Olympics, was left on the starting block when the gun went off and came in sixth.

In the platform diving competition, Mrs. McCormick scored 51.25 points for the four dives, putting her far ahead of Miss Myers, with 44.22 and Mrs. Irwin with 43.60. Two Russian girls were among the first eight.

The early doings had no effect on the unofficial but torrid duel between Russia and the United States for the top place in overall point scoring—a matter not recognized by Olympic officials.

Russia Leading
It was Russia by 523½ to 465 this morning with no events that count for medals—and points—scheduled until afternoon.

DODGERS TAKE 2 FROM BUGS

BROOKLYN (AP)—Brooklyn's first-place Dodgers took both ends of a twin bill from the last-place Pittsburgh Pirates yesterday, winning the

ified for the four-man final bracket. Hungary sent three fencers into the final round of the individual sabre fencing competition. Jose de Capriles of New York, the last American, was eliminated after winning two semi-final bouts.

First game, 7-6 in 11 innings and the second test, 4-1.

The Pirates scored all of their first-game runs in the second inning and held a 6-3 lead going into the ninth. The Dodgers promptly rallied for three runs to send the game into extra innings. In the 11th two intentional walks enabled the Dodgers to fill the bases—then Paul LaPalme walked George Shuba on four pitches to force the winning run home.

Rookie Joe Landrum, recently recalled from Fort Worth, Tex., won his first major league start in the second game, scattering eight Pirate hits. The Dodgers got six hits off

Forrest Main.

First game:

Pittsburgh 0600000000—6 10 1

FIFTEEN YEARS AGO
Miss Rose C. Smith Weds: Miss Rose Catherine Smith, daughter of Mr. and Mrs. Francis I. Smith, 219 South Washington St., became the bride of Paul Webster Littleton, son of Mr. and Mrs. Charles W. Littleton, Baltimore, in a wedding ceremony performed Saturday morning at 9 o'clock in the rectory of St. Francis Xavier Catholic Church, by the Rev. Paul Gieringer, pastor of St. Mary's Catholic Church of Fairfield. About 50 guests witnessed the ceremony.

The bride and bridegroom were attended by Mr. and Mrs. L. J. Hoppe, of Alto, New Jersey.
Mrs. Littleton conducts a clothing store on Baltimore St. Mr. Littleton is a representative of a Baltimore clothing firm.

Myles Fidler Is Wed In Hanover: Miss Anna Mary Trone, daughter of Mr. and Mrs. Charles Trone, Hanover, and Myles Fidler, son of Mr. and Mrs. George Fidler, Biglerville R. 1, were united in marriage Saturday evening at 7 o'clock in a Lutheran parsonage by the Rev. Charles Sullivan.
Local Girl Is Named To Teach In Arendtsville: The annual organization meeting of the joint school board of the Arendtsville Vocational School was held Monday evening at the school building, when former officers were all re-elected. The teaching staff was completed with the election of Miss Mary Elizabeth Dougherty, Rex Apartments, York St.

Miss Dougherty, who was graduated from Gettysburg College in June, will serve as instructor in Latin and science, filling the position made vacant by the resignation last spring of H. Edgar Reigle, who accepted a position in Washington, D. C.

James Hafer Gets Best Camper Award: James Hafer, of Troop 80, of Christ Lutheran Church, was presented with a buckskin badge as "best camper" last Friday at Boy Scout Camp Ganoga. Each week one scout is elected for that honor by election of his fellow campers.

Hafer also qualified for his Life Scout badge, which was pinned on him by Scout Executive Ray F. Zander.

Property Transfer: Property transfers recorded at the office of the register and recorder at the court house include the following: Cleason B. and E. Gertrude McIlhenny, Philadelphia, to Eugene C. Shriver, York St., a property on E. Lincoln Ave. Mr. Shriver is building a service station on the lot.

Remodeled Church Here Rededicated: The Gettysburg Church of the Brethren was crowded to capacity Friday morning for services marking the completion of improvements to the building on S. Stratton St. Elder Rufus Bucher, of Quarryville, Lancaster County, conducted the morning service.

The Rev. B. F. Lightner, E. Middle St., presented a history of the church during the service.

Fractures Leg In Barn Fall: While engaged in threshing Monday morning, Emory Stiermer, Gettysburg R. 4, lost his balance and fell about 10 feet from the barn floor to the barn yard and sustained a badly fractured leg. He was admitted to the Annie M. Warner Hospital.

Vacationing At Pine Grove: The Misses Carolyn Oyer, Caroline Smiley, Annette Shuman, Geraldine Francis, Gloria Cardenti, Anna Swisher, Helen Zimm and Colleen Thompson are spending a week at the Klinefelter cottage, "Minnehaha," at Pine Grove. Mrs. Myles E. Thomas, of Biglerville, is the chaperone.

Today's Talk

By GEORGE MATTHEW ADAMS

THE COW BELL

If you have never listened to the exquisite gong of the Cow Bell, you have missed something in melody like no other sound that I know anything about. The echoing strains of this bell fascinated me in my youth, as I listened to them from meadows and fields where cattle fed.

All bells have a sound that echoes their own individual tone, but there is something nostalgic about the mellow come-call of the Cow Bell that is like a living thing—creeping into the memory and hiding there. I have always wondered what the cows themselves thought of the sound as their leader gonged it move by move, with all the others congregating about the one with the bell about its neck.

Long after my days upon the farm were ended I would be driving in the country and whenever I heard that familiar ding-dong I have stopped and listened, as though a voice were calling, so mellow and full of appeal has that Cow Bell always been. And at approaching dusk, upon a Summer day, those softened notes trotting into space have reminded me of those beautiful lines of the poet Thomas Gray—

"Now fades the glimmering landscape on the sight,
And all the air a solemn stillness holds,
Save where the beetle wheels his droning flight,
And drowsy tinklings lull the distant folds."

Many years ago I bought one of those familiar Cow Bells at an old antique shop and have cherished it ever since. At my Summer island retreat in Nova Scotia I often take it out at approaching night and gong it and listen to the sounds as they go out into the forest and seem to skirt the smooth waters of Grand Lake when all is silent. I can understand the fascinations that poets have had for bells. Lafcadio Hearn wrote beautifully of Chinese bells. And, of course, we are all familiar with Poe's great poem. But there is everything in the tinkling of the Cow Bell—akin to that of the Camel bell that Burton immortalized.

Tomorrow Mr. Adams will talk on the subject: "Messages of Life."

The Life Of Adlai Stevenson

(Editor's Note: This fourth of a five-part series on the life of Adlai E. Stevenson, Democratic nominee for President, covers his years as governor of Illinois)

By ROGER F. LANE

SPRINGFIELD, Ill., (AP) — The striking act about Adlai Stevenson's election as governor in 1948 was that he polled 539,000 more Illinois votes than President Truman.

The President carried the state by only 33,612 of 4,075,000 votes cast. Stevenson outdistanced popular Paul H. Douglas, as easy Senate winner, by 165,000 votes.

Little less astonishing were two other aspects of the landslide victory: That such success crowned has maiden political campaign and that the office he sought was his second choice.

Stevenson had an eye on a U. S. Senate seat when his name was proposed by a small group of ardent admirers to Jacob M. Arvey and other Chicago Democratic leaders.

But Arvey already was sold on a man for that spot — Douglas, then a University of Chicago economics professor.

Stevenson thought his experience in the State Department and with the U. N. better fitted him for the Senate. Nevertheless, he was persuaded to run for governor against Dwight H. Green, Republican incumbent seeking a third term.

Learned Politics At Home
"If it's true that politics is the art of compromise," he once said, "I've had a good start. My mother was a Republican and a Unitarian, my father was a Democrat and Presbyterian. I ended up in his party and her church."

He campaigned fiercely against Green, denouncing what he called his "scandalous and thirteenth administration, broken promises and cynical sale of privilege."

After the election, he remarked that he would have no say in shaping federal policies — "But I can improve the probity, the efficiency and morality of state government, or break my heart and my head in the attempt."

An early move toward this objective was to tighten law enforcement by legislation taking the state police out of the political patronage realm and putting them under a merit system.

The state police bill provided for letting 250 cops on the solidly Republican, 500-man force hold their jobs. Tradition called for sweeping all out to make room for faithful of his own party.

This was hard to stomach for legislators who owed their seats to the efficiency of the Chicago Democratic machine. Said one, "This governor must have been born in a political fairland."

Admired Courage
However, the disgruntled lawmaker conceded that the governor was "courageous," and he voted for the bill, along with a majority of colleagues.

The rejuvenated police force was relieved of errand boy duties like chauffeuring politicians and soon compiled an enviable record for driving overweight trucks off the state's crumbling highway network and in enforcing traffic and criminal laws.

Among other things, the police smashed a big scale cigarette tax counterfeiting operation and destroyed about 1,500 illegal slot machines.

With road busting truckers under control, Stevenson put over on the second try a 100 million dollar a year program for rebuilding the state highway system. It is just now hitting its stride.

Financing was the crucial problem, and its core lay in settling a rural-urban tug-of-war on sharing receipts from a two-cent increase in the state gasoline tax to a nickel a gallon.

Stevenson called in the warring groups and induced agreement on a formula that unraveled the snag.

To make headway on roads, and in virtually every other field, the Democratic governor needed support of Republicans who controlled both legislative branches in 1949 and the Senate in 1951. He got it surprisingly often.

Doubled School Aid
Stevenson wanted a rewrite job on the state's 1870 constitution, last amended in 1908. He called it "our ancient straitjacket."

His drive failed, but produced a GOP counteroffensive he joined to liberalize the amending process and pave the way for substantive change.

Under the governor's leadership, state appropriations for elementary and high schools were nearly doubled. Understaffed, overcrowded state mental hospitals got more help and an expansion program.

After newspaper criticism of enlargement of state payrolls, Stevenson said he was "willing to fight on every street corner if I have to" in defense of building up mental hospitals.

The state quickened the battle against tuberculosis, and for utility regulation. The state government structure was streamlined. Its workers got raises.

The governor called for fair employment practices legislation, a perennial loser in Illinois. Twice the legislature turned him down.

Other troubles came along, and critics pointed to three happenings which they claimed were the result of fumbling administrative di-

Dirksen Heads Strategy Board

WASHINGTON (AP)—Sen. Everett Dirksen of Illinois has been appointed to a special "strategy board" to chart tactics for the Republican campaign to put Gen. Dwight D. Eisenhower into the White House.

Dirksen was a leader in the unsuccessful drive of Sen. Robert A. Taft of Ohio to capture the GOP presidential nomination. He touched off a demonstration at the Chicago convention with a speech blasting Gov. Thomas E. Dewey of New York, an Eisenhower strategist, as the man who twice led the Republicans to defeat as the party's presidential candidate.

Since the convention, Dirksen has pledged his support to Eisenhower and said he would campaign for him all over the country.

His appointment to the strategy board was announced by GOP National Committee Chairman, who will head the board as chairman.

Other members are Rep. Leonard W. Hall of New York and three of Summerfield's top aides on the national committee, Executive Director Wayne J. Hood, Organization Director Wesley Roberts and Publicity Director Robert Humphreys.

Vetoed 134 Bills
Stevenson posted a record for Illinois chief executives by vetoing 134 bills sent to him by the 1951 legislature. Two that aroused controversy struck down the so-called Broyles anti-subversives bill and an increase in awards to old age pensioners.

The first was sponsored by Senator Paul Broyles, Mt. Vernon Republican, and supported by the American Legion.

Stevenson said it "jeopardizes the freedom of sincere and honest citizens," and "reverses our traditional concept of justice by placing upon the accused the burden of proving himself innocent."

"We must not burn down the house to kill the rats," he said. Sponsors of the pension boosts made no provision for financing them.

"I can only assume, therefore, that the authors of this transparent political gesture were more concerned with raising the hopes of our aged dependents than their incomes," Stevenson said in the veto message.

WOMAN CLAIMS BODY OF GIRL

OKLAHOMA CITY (AP)—An Oklahoma City woman today identified the "young girl" whose headless body was found near Yukon Wednesday as her 20-year-old daughter.

But police were openly skeptical. Still, Mrs. Mabel Pennington, 52, insisted the victim of what officers termed an apparent revenge slaying was her daughter, Tillie Mae Pennington, who disappeared from her home Monday.

Thinks Woman Wrong
The dismembered body, with the head and hands cut off and the letters "R-A-T" carved on the stomach, was found in a creek bed near Yukon, 11 miles west of here.

The mother said leg scars made the identification positive. Crime Bureau Chief O. K. Bivins was almost as certain she was wrong, pointing out a physician said the girl definitely was 13 or 14 years old.

When men dig into the earth, they find that temperatures rise about one degree Fahrenheit for every 60 or 70 feet of depth.

Eight Freight Cars Jump Pennsy Track

BRIDGEVILLE, Del. (AP)—An unexplained freight train derailment on the Pennsylvania Railroad's Delmarva Division blocked rail traffic for several hours near here yesterday.

Eight cars jumped the tracks near the end of a 119-car freight northbound from Cape Charles, Va., to Wilmington, Del. No one was injured.

One northbound passenger train was halted at the scene and passengers were taken on to Wilmington by bus. There were no other reported delays.

Alger Hiss Asks For Another Trial

NEW YORK — Convicted perjurer Alger Hiss in prison for a five-year term, still insists he's entitled to a third trial.

The former State Department official, convicted of lying to a grand jury about his services to a pre-war Soviet spy ring after a jury disagreement in his first trial, took his plea yesterday to the U. S. Circuit Court of Appeals.

He previously had sought a new trial with the claim that he had discovered new evidence.

But this appeal was turned down July 22 by Federal District Judge Henry W. Goddard who ruled there was not sufficient new evidence to influence another jury.

MANY PAPERS IN SOUTH FOR IKE

ATLANTA, (AP)—Gen. Dwight D. Eisenhower will have the editorial support of more newspapers than ever before backed a Republican presidential nominee in the traditionally Democratic South.

An Associated Press survey of nearly 100 papers in 11 Southern states showed today that 41 have endorsed the general or will do so and past performance indicates several in the "undecided" list will go to him.

Paradoxically, however, this does not mean that editors of the area are much more opposed to the 1952 Democratic candidate, Adlai Stevenson, than they were to President Truman when he ran in 1948. Four years ago the anti-New Deal-anti-Fair Deal sentiment was divided between Thomas Dewey, the GOP nominee, and Strom Thurmond, choice of the States' Righters and these two men drew more editorial page endorsements than Truman. That year, 24 of the papers surveyed were for Dewey, 22 for Thurmond.

At this early stage in the campaign, only 22 papers have come out for Stevenson and Sen. John Sparkman, the Democrats' vice presidential nominee from Alabama. In 1948, 35 of those questioned this year were lined up for Truman. Presumably, Stevenson's total will approach that.

This tally includes only papers in Georgia, Alabama, Mississippi, Louisiana, Tennessee, Florida, Virginia and the Carolinas which endorsed a ticket in 1948 or have done so this year. It covered most of the leading papers in all the 11 states.

SAMUEL, JUDGE AND PROPHET

1 Samuel 7:5-17
Memory Verse: Direct your hearts unto the Lord, and serve him only. 1 Sam. 7:3.

Samuel was about 12 years old when the Lord revealed to him in the temple that the aged Eli's sons would not succeed their father as judges in Israel. They had proved themselves unworthy. The boy Samuel did not dream, we may well suppose, that some day he would be judge. But by the time he reached early manhood all Israel was aware that Samuel would not only be their

judge, but would be prophet as well. Little is known of the silent years in the life of Samuel between the time of his ministrations in the temple as boy and the beginning of his public life. It recalls to mind the early life of Jesus.

Israel suffered severely at the hands of the Philistines, their constant foe. The two sons of Eli were killed in battle. The old judge died of shock when he learned about the battle and the loss of the sacred ark to the foe. Then in the dual capacity of judge and prophet Samuel showed a strong hand. As we

know from the example of Deborah, a judge was frequently both political and military leader. He performed the duties of priest and prophet on certain occasions. This latter office Samuel filled with distinction. A prophet's chief responsibility is not to predict, as is often believed; it is to make known the character of God and declare His will. The true prophet is conscious of God's presence in his life, and consequently speaks with confidence. He knows what the purpose of God is in relation to certain unfolding events. The prophet's message from God to the people concerned was always in connection with critical situations.

To the Israelites in their distress Samuel declared, "Return unto the Lord with all your heart." This the people did and put away their false gods. It was the procedure so well known and usually practiced during

the days of the judges; the sin of following pagan ways, dire misfortune and suffering, finally repentance and divine relief. The day of such experiences has not passed. When Samuel saw that their repentance was genuine, a call went out to all Israel to assemble at Mizpah. "We have sinned against the Lord," the people cried, and fasted that day. It would be of interest to know what Judge Samuel said to the assembled crowd. It was the beginning of Israel's revival as a people. The Philistines attacked and were repelled; they did not harass Israel again. Peace was finally made between Israel and her other powerful foe—the Amorites. Samuel was judge in Israel until the end of his life. He held court in three places: Bethel, Gilgal and Mizpah.

His personality and training prepared Samuel to fill these three important offices in Israel: Prophet, priest and judge. As prophet he represented God faithfully; he revealed the will of God as it pertained to definite circumstances and conditions. Through his fidelity and vigorous declarations he induced the majority of the people to break away from paganism and return to the true God.

Another accomplishment of Samuel's was that of establishing a school of prophets at his home in Ramah. This was the beginning of an "order" of men speaking for God. His task, in addition to that of prophet and judge, was to rule over Israel. This role he performed so well that the various tribes achieved a unity which they had not enjoyed for generations. The Philistines and other hostile tribes had been defeated; the way was open (Please Turn to Page 8)

HITCHING-POSTS

Here and there in some of our cities and towns one finds narrow streets, still lined with hitching-posts—beloved relics of an almost forgotten era!

But man hasn't really abandoned the hitching post. He has converted it. Today he calls it a parking lot, or a terminal, or an airport. But it's really the old hitching-post, just the same.

In fact, we never will out-grow our need for the hitching-post. No matter how far or fast we travel, there will always be places we like to stop and stay awhile.

Odd how our spiritual needs resemble the physical . . . The soul needs a hitching post, too. As we try to keep up with the ever-quicken pace of modern life, we need the sound, solid, unwavering truth of our Christian religion.

And come Sunday morning, there's no place like the Church to stop and stay awhile!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For the sake of his children's sake. (2) For the sake of his community and nation. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

WIENER ROAST HELD BY CLASS

Mrs. Paul E. King, Littlestown R. 1, was hostess to the Tuck-a-Bach Sunday School class of St. John's Lutheran Church for the monthly meeting on Wednesday evening with twelve members and seven visitors in attendance. The meeting opened with group singing for which Mrs. Malcolm Hess was the piano accompanist. The Scripture, Psalm 56, was read by the president, Mrs. Joseph Selby. Sentence prayers were offered by the group, opened by Mrs. King and closed by Mrs. William J. Lippy. A reading was given by Mrs. George W. Strevig. An imaginary food sale was held and \$11.60 was realized for the class treasury. Reports were given by the secretary, Mrs. King, and the treasurer, Mrs. Lippy. The birthday anniversaries of Mrs. Lippy and Mrs. Malcolm Hess were noted. One new member was received, Mrs. Ruth Fleishman. It was decided to hold the annual class picnic for members and their families, which had previously been postponed, on Sunday, September 14, in the church basement. Mrs. King will serve as chairman of the committee on arrangements. The meeting closed with the Lord's Prayer repeated in unison.

A wiener roast followed on the lawn. Group games and contests were held in charge of the July committee composed of Mrs. George Trump and Mrs. Earl Brumgard. Prizes for contests were received by Mrs. Raymond Reid and Mrs. Walter Yingling. A fruit basket was received by Mrs. D. Elmo Jones. The next meeting will be held Wednesday, August 27, 8 p.m., at the church. Mrs. Joseph Selby will serve as hostess and Mrs. Walter Yingling and Mrs. Malcolm Hess comprise the entertainment committee.

Picnic At White Hall

Plans were furthered for the annual picnic of St. Luke's Union Church, near White Hall, at a business meeting of the Ladies' Aid Society on Wednesday evening at the church. The picnic will be held Saturday, August 9, in the church grove. Roast chicken and ham sup-

pers will be served beginning at 4 o'clock in the parish house. Tickets are \$1.25 for adults and 65 cents for children. Musical entertainment will be provided by the Knights of Pythias band of Hanover. A cake stand and bazaar table will be conducted. The society members made contributions for the bazaar and the items were priced at the meeting. It is planned to meet at the church next Friday afternoon to prepare the chickens for the supper.

The meeting, which was in charge of the president, Mrs. John H. Hartlaub, opened with the group singing of "The End of the Road" and "Yield Not to Temptation" with Miss Eileen Hartlaub as piano accompanist. The Scripture lesson was read responsively, led by Mrs. Ralph Snyder, who also offered prayer. Reports were given by the secretary, Miss Betty Hartlaub, and the treasurer, Mrs. Guy McCabe.

The birthdays of the following members were noted: Mrs. Rodney Harner, Mrs. Samuel Snyder, Mrs. Melvin Good, Miss Eileen Hartlaub and Miss Shirley Bixler. The guest box was contributed by Mrs. Robert Gladhill and was received by Mrs. Samuel Snyder. It was decided to omit the August meeting and the next regular session will be held Wednesday, September 10, 7:30 p.m., at the church. The committee on arrangements for September is composed of Mrs. Ray Reichart, chairman, Mrs. Guy McCabe, Mrs. Robert Milheims, Mrs. J. M. Myers, Mrs. Robert Newman, Mrs. Roscoe Rittase, Mrs. Columbus Schneider and Mrs. David Sentz.

Hold Swimming Party

Twelve members of the Young Men's Sunday School class of Redeemer's Reformed Church, taught by Dr. Richard M. Phreaner, enjoyed a swimming party on Wednesday evening at Crouse's pool, near town, along the Littlestown-Taneytown road. Following the swimming, a wiener roast was held on the lawn near the pool. The party was held in place of the July meeting and the next regular session is scheduled for Wednesday, August 27. More details concerning this meeting will be announced later.

PENNSY'S IDLE GET \$4.5 MILLION DURING STRIKE

HARRISBURG (AP) — Unemployed workers in Pennsylvania have been paid four and a half million dollars as a result of the 54-day national steel strike, the Bureau of Employment Security estimated today.

And before steel is again flowing normally an additional 1½ million will be handed out this month, a department aide predicted.

"Some 18,000 to 20,000 coal miners, metal workers and other employees of allied industries—laid off because of the steel stoppage—received about \$165 each for six weeks unemployment benefits," he said.

He added that this did not include two weeks of the strike in July, considered a vacation period.

Payments resulting from the steel strike, which began June 2, accounted for nearly three-fourths of the abnormal disbursements during June and July. The department estimated payments to all unemployed totaled 23 million during the two-month period.

"We expect the re-employment of many workers will be gradual, extending over a period of four weeks or longer," the spokesman added.

"It will take that long for steel supplies to reach manufacturers after the reopened mills get into production."

The department of Public Assistance previously estimated that during the steel strike \$900,000 in relief was given about 24,000 idled steel workers, their families and employees of allied industries.

The relief grants to strikers were

Wants Byrd On Third Ticket

WILKES-BARRE, Pa. (AP)—Miner Aylesworth, a lawyer from nearby Huntingdon Township, has proposed the organization of a third party with U. S. Senator Harry Byrd of Virginia as its presidential candidate.

Aylesworth revealed Wednesday night that he made the proposal in a letter to the New Leader, a Richmond, Virginia, newspaper.

The paper, which has endorsed the Republican party for the first time in more than 50 years, explained that Gen. Dwight D. Eisenhower and U. S. Sen. Richard Nixon, the Republican candidates, present "new faces and a fresh approach" on the national scene.

Aylesworth said he agrees that a change is needed, but suggests that the paper "reconsider" its position.

"Eisenhower represents only a change in party label," Aylesworth added, "there is no essential change in policies."

Senator Byrd would be able to unite the conservative members of both major parties in the north and south, Aylesworth says.

The attorney also suggested a conservative Republican from the midwest as a running mate for Byrd.

Polio Cases Strike New Peak For Year

WASHINGTON (AP)—New cases of infantile paralysis—1,666—last week hit a peak for this year. Despite this, however, the total for the "disease year" dropped below the record set in 1949.

The Public Health Service reported the total for the "disease year", which began March 30, was 7,090 as compared with 7,267 for the similar 1949 period and 4,340 last year.

Last week's total was 274, or 20 per cent. over the 1392 for the previous week, which had been this year's peak. But, at this time in 1949 the weekly score was running about 1,900. It ranged from 3,100 to 3,400 weekly in August, August is usually the peak month, a Health Service official told a reporter.

A year ago in the corresponding week there were 989 cases, and that was also the five-year average (1947-51).

The Employment Bureau spokesman said a great percentage of unemployment payments were made to "captive coal miners, most of them employed by steel companies not involved in the strike." A captive miner is one who works for a steel company.

14,000 WORKERS BACK ON JOBS AT CRUCIBLE

PITTSBURGH (AP) — Production of defense vital steel got another boost today as Crucible Steel Company prepared to resume work.

Crucible and the CIO United Steelworkers signed a temporary agreement yesterday which will result in the company's 14,000 employees returning to their jobs immediately.

The agreement is similar to the strike-ending pact which the union and the nation's six biggest steel companies agreed upon last week. It provides an average 21-cent an hour pay boost for men now getting nearly \$2 an hour.

Union Shop Contract

Crucible's contract continues to provide a union shop whereby all new employees must join and remain members of the union. The steelworkers' contract with the "Big Six" provides a modified union shop which permits new employees to withdraw from the union between the 15th and 30th day of employment.

Meanwhile, the union is negotiating contracts with some firms which thus far have not gone along with the agreement which ended the 55-day strike against the big producers. Among them is Allegheny Ludlum Steel Corp.

In addition to some 10,000 Allegheny Ludlum employees who are idle, about 15,000 employed by Wheeling (W. Va.) remain on strike. Talks between the union and Wheeling were recessed indefinitely yesterday.

As the big steel industry roared toward full production the auto industry's big three producers — General Motors, Chrysler and Ford — announced plans for stepping up lagging production.

Government Gives Up Tin Monopoly

WASHINGTON (AP) — The government returned the buying of tin to private industry today, releasing the monopoly it has held on tin purchases since March 12, 1951.

Henry H. Fowler, head of the National Production Administration, said the action was taken because tin supplies have improved and the price has dropped to a more reasonable level.

The government became the sole purchaser of tin at a time when private industry, in competition with the government, had bid the price up as high as \$1.83 a pound on the New York markets. It has dropped to \$1.21½ cents a pound.

FLYING DISCS ARE NUISANCE TO AIR FORCE

WASHINGTON (AP) — The Air Force didn't exactly say so but it left the impression those flying saucers are becoming quite a nuisance.

So much time is being spent answering saucer queries that it's interfering with regular intelligence work, Maj. Gen. John A. Sanford, Air Force Intelligence director, said yesterday.

Perhaps just to show how busy it is, the Air Force released a long list of statistics revealing it had

received 432 written reports on "sightings of unidentified aerial phenomena" so far this year. All these went to the Air Technical Intelligence Center at Dayton, Ohio. They don't include the hundreds of oral reports of sightings.

The Air Force statistics appeared to explode the theory that the recent flurry of saucers was caused by the heat. The peak of sightings over the years seemed to hit at no particular season or month.

LAUNCH ATOMIC WARSHIP PLANS

By FRANK CAREY
Associated Press Science Reporter
WASHINGTON (AP)—The United States, reporting progress on atomic-powered submarines and aircraft, today launched a new project: development of giant atomic-powered warships.
The Atomic Energy Commission announced it had asked the Westinghouse Electric Company to develop an atomic engine capable of propelling "large vessels such as aircraft carriers."
This immediately revived speculation that atom-powered battlewagons and giant commercial liners like the Queen Mary and the USS United States could easily make 100,000 mile cruises at top speed — and without refueling.
Such estimates are based on the fact that a pound of fissionable uranium or its titanic twin, plutonium, could generate as much power as 1,500 tons of coal or 200,000 gallons of fuel oil.
The AEC's announcement came only a few hours after release of its 12th semi-annual report to Congress in which the commission reported progress on the development of nuclear-powered aircraft and on two different types of atomic engines for submarines.
The fact that AEC awarded the contract for the large vessel atomic engine project to Westinghouse indicates it believes that at least one submarine engine project is definitely assured of success. This appears likely because

Credit Purchases Reach New Highs
WASHINGTON (AP)—The lifting of controls on installment buying last May 7 has pushed credit business to a new high. The biggest time payment boom was in autos.
The Federal Reserve Board announced yesterday that installment buying during June jumped 583 million dollars on top of a 447 million rise in May.
The total debt of installment buyers on June 30 stood at \$13,767,000,000, better than the previous record of \$13,510,000,000 set during the heavy Christmas buying last December.
Approve Changes In Armistice Document
MUNSAN, Korea (AP)—United Nations and Communist staff officers made a little progress today toward agreement on the wording of the Korean armistice draft.
Lt. Col. Duncan S. Somerville of Cumberland, Md., top U. N. staff officer, said the U. N. approved Communist - suggested re-wording in five paragraphs of the bulky truce document during a 65-minute session at Panmunjom.
The changes were minor and had no bearing on the thorny prisoner of war exchange issue, which has deadlocked the main negotiations.
Westinghouse is building an atomic submarine engine at the AEC's land-locked site in Arco, Idaho, which is scheduled to be installed in the Navy's projected atomic submarine, the USS Nautilus.

Seeks Fifth Golf Title In 6 Years

PITTSBURGH (AP)—Arnold Palmer of Latrobe seeks to set a new tournament record today by winning his fourth straight Western Pennsylvania Amateur Golf title and his fifth in six years.
The Coast Guard petty officer moved into the final of the 52nd annual tourney yesterday by whipping Tommy Smith of Greensburg, 7 and 6 and Harry Young of Alcom 6 and 4.
Frank Souchak, former West Penn champ from Oakmont, qualified for the 36-hole title match when he beat Eddie Rack of Youghiogheny, 5 and 4, in the quarter-finals, then eliminated Tom Abrams, Alcoma, 3 and 2.

Have Picture Of Aerial Phenomena

WASHINGTON (AP)—Coast Guard headquarters today made public a photograph of "unidentified aerial phenomena" taken by a 21-year-old Coast Guard photographer.
The photo clearly shows four round objects. Each appears to have two identical shafts of light extending across its center and protruding at the forward and rear ends. The lights are in a "V" formation.
The Coast Guard said it has no opinion as to the cause or source of the "objects" and was releasing the picture only because of the widespread public interest in aerial phenomena.
The picture was snapped by Shell

"MIDDLE ROAD" COZY RETREAT FOR TWO PARTIES

By JAMES MARLOW
WASHINGTON (AP) — This is the year when the middle of the road seems cozy. The politicians indicated they thought so when they picked Gen. Eisenhower and Gov. Stevenson.
Both are middle-of-the-roads. The general is a little to the right of the governor, Stevenson, apparently, is a little to the right of President Truman. Neither man is an apostle of change, socially or economically. Although both are internationalists, that's usual now, not radical.
If there had been wide public pressure to move left or far right, the convention politicians undoubtedly would have responded by producing the kind of candidate wanted. No matter how boss-ridden, a political party which wants to stay in business must be a kind of thermometer measuring the public mood.
People Seek Changes
The people have shown that in time of crisis, when great remedies are needed for survival, they not only will accept but seek changes, even severe ones. This was demonstrated in 1932 when they elected Franklin D. Roosevelt, who was eager to experiment, instead of Herbert Hoover who didn't want to rock the boat even when it was sinking. In choosing Hoover that year the Republicans either misread their thermometer or ignored it.
Roosevelt's four victories were in abnormal times. By 1948, when he was dead, the picture had changed. We were still in serious trouble abroad, thanks to the Russians (according to the Democrats) or to Democratic bungling (according to the Republicans). But war was not imminent.
In that fairly normal year the Democrats and President Truman, although he had offered his Fair Deal as a continuation of the New Deal which had been interrupted by the war, barely squeaked through.
This election year is much like 1948 with some notable new exceptions: higher taxes, corruption in government, and the distressing and unfinished Korean War. Otherwise, incomes and employment are at a peak. Our foreign relations are serious but war still does not seem imminent.
The arguments this year between the parties and the candidates will be over government expenses and corruption, the handling of foreign policy, and other issues which the politicians will have no trouble dredging up.
But the voters, not in peril now, will not have to choose between a stand-patter and a man with a gleam in his eye and a key to the promised land.

MEDAL WINNER IS HERO AGAIN
WASHINGTON (AP) — A Congressional Medal of Honor winner proved yesterday he was still a hero by risking his life to save a grief-stricken young mother from the ledge of a six-story building.
Mrs. Lucille Whomble, 21, mother of two small children and despondent over the death of a third last week from pneumonia and heat-stroke, had climbed to the ledge of the downtown YWCA Building.
Crowd Watches Tensely
Maynard H. "Snuffy" Smith, who during World War II fought a single-handed battle over the English Channel to save a burned-out bomber, saw her and inched his way along the ledge as a crowd watched tensely below.
He said later she screamed at him that she didn't want to live, that she had just lost her 5-month-old child.
Smith said he told her to think of the other two, and asked her if he could hold her hand for a minute.
"Then a fireman came up and helped, because I couldn't hold her alone," he said.

SS BOOST MAY COST BILLION
WASHINGTON (AP) — Social Security officials say it would cost another billion dollars a year to give everyone covered by old age and survivors insurance a pension at age 65.
That, in effect, is what the Democratic platform advocates in its proposal to remove the limitation on the amount of earnings a person may receive after 65 and still get Social Security benefits. The present limit is \$75 a month.
Oscar R. Ewing, federal security administrator, and Arthur J. Altmeyer, social security commissioner, told reporters yesterday that the limitation denies pensions to a third of those covered by the old age and survivors insurance program.
To give them all pensions, they said, would add a billion dollars to the present two billion dollar annual cost and require an increase in social security taxes.
The tax now is 1 1/2 per cent payable by both employee and employer on the first \$3,600 of earnings.

MAY INCREASE COST OF TRUCK HAULING IN '53
COUDERSPORT, Pa. (AP) — Pennsylvania potato growers were told Thursday that efforts will be made in the 1953 session of the legislature to increase the cost of truck transportation in the state.
Thomas F. Robertson, director of community relations for the Pennsylvania Motor Truck Association, said that railroad interests are preparing bills to impose a ton-mile tax on trucks and to increase registration fees of trucks.
"If any of these proposals become law farmers and everyone else using highways for transportation of their products will find their shipping costs considerably higher," Robertson said.
Robertson addressed the opening session of a two-day meeting of the Pennsylvania Cooperative Potato Growers Association at the nearby experimental farm at Potato City in Northwestern Pennsylvania.
See Demonstration
Hundreds of potato growers from all sections of the state watched production and marketing demonstrations. These included machines for spraying potatoes with low gal-lonage consumption, latest approved methods for planting, culti-

vating, harvesting, grading and marketing potatoes.
The 1952 Potato Blossom Queen will be crowned this evening by Miles Horst, Secretary of Agriculture. Twenty-six attractive daughters of potato growers will compete for the title won last year by Jean Mastin of Quakertown, Penn State coed.
Robertson said in his address that railroads were behind the campaign to increase highway transportation costs "in a desperate attempt to keep modern highway transportation at a competitive disadvantage with outmoded railroad hauling service."
Seek More Weight
The motor truck association has backed legislation to increase the weight limit of commonly used trucks in Pennsylvania from 45,000 to 60,000 pounds. The bill passed both houses of the last legislature but was vetoed by Gov. John S. Fine. The fight is certain to be renewed at the 1953 session.
Robertson said that 98 per cent of all farm products moved to market by truck and that enactment of a ton-mile tax, a levy based on potential gross weight of a truck and the distance traveled, "would immediately hit farmers and other taxpayers through increased transportation costs."
The modern ceremonial custom of presenting keys to the city originated in the Middle Ages when cities were walled, and distinguished and trusted visitors were given keys to the gates so they could come and go as they chose.
